Important Notice

The purchase of any of the coverage described herein may duplicate, void or alter existing coverage. Rental and Sharing company employees cannot interpret or advise you on what the policy may or may not cover. If you purchase Supplemental Liability Insurance or Personal Accident/Personal Effects protections, various credit card insurance death benefits could become "excess insurance coverage," meaning that any benefits due are available only if the amount sought in a claim exceeds the policy limits of any other applicable insurance purchased by cardholders, or those benefits could become void. You may duplicate coverage already provided by your personal automobile insurance policy, homeowner's insurance policy, personal liability insurance policy or other sources of coverage. Policies and coverage vary and Counter Personnel cannot advise you concerning other coverage that may not be applicable.

Availability of Coverages Described:

Federal, state or local law may limit, vary or entirely prohibit the terms, conditions or coverage. Any offer as described herein is void if prohibited by law.

Supplemental Liability Insurance

Supplemental Liability Insurance is excess liability insurance that protects you and any authorized driver, as defined in the Rental or Sharing Agreement, against third party automobile claims for bodily injury and property damage caused during authorized use of the Rental or Shared vehicle.

S.L.I. provides you with the following benefits:

- When you accept S.L.I., the policy may provide you with excess coverage for the difference between that provided in your Rental or Sharing Agreement (minimum requirement is the state financial responsibility mandated by the applicable insurance jurisdiction) and \$1,000,000. Internal Limits Apply: \$200,000 per person Bodily Injury limit per Accident (Included In Aggregate limit and reduced by any other valid and collectible insurance).
- The \$50,000 property damage limit is reduced by any valid and collectible insurance including the primary (state minimum financial responsibility limit) and is also included in the maximum aggregate limit of \$1,000,000 as described above.
- If there is any other valid and collectible insurance in effect (i.e. personal automobile liability coverage) then the available protection under the S.L.I. coverage would be reduced by the amount of the underlying insurance. S.L.I. coverage is always in excess to other valid and collectible insurance and the last payor.
- For Motorcycles, defined as vehicles with three or less wheels, Bodily Injury limits of \$300,000 apply. Internal Limits Apply: \$60,000 per person Bodily Injury limit per Accident (Included In Aggregate limit and reduced by any other valid and collectible insurance). Property Damage limit is \$10,000, excess of underlying coverage and is included in the \$300,000 combined maximum aggregate limit.

The purchase of any of the insurance described in this brochure is not required in order to rent a vehicle.

The policies may provide a duplication of coverage already provided by a renter's personal insurance policy, homeowner's insurance policy, personal liability insurance policy, or other source of coverage.

Acceptance is proof of coverage under the policy issued to the Lesser.

STATE LAW - Remember state laws may prohibit or modify the optional products offered. Any offer or description of benefits is void where prohibited by law.
